Washington Gas protects customers' account information. It is shared only with the person whose name appears on the account, and only that person can authorize that a second name be added.

Customer Choice Program: You now have the option of buying natural gas from natural gas suppliers. Washington Gas will still deliver the natural gas to your home or business and will be available around-the-clock to respond to any emergency involving your gas service. Exercising this choice could result in lower gas costs, and ultimately, a lower gas bill.

For more information about the Choice Program and to see a list of Suppliers, go to washingtongas.com/pages/CustomerChoiceinDC or call **703-750-1000**.

Useful Information

CCF: A unit of measurement for the amount of gas used. One CCF = 100 cubic feet.

Therm (TH): A measure of the energy in natural gas, equal to the amount of gas (in CCFs) times a heat content factor.

Distribution charge: Covers the monthly cost of transporting your gas through our pipes and storage tanks to your meter. The charge is based on the amount of gas used.

Customer charge: Covers certain other costs of providing your service, including depreciation of equipment, taxes, maintenance and repair of customer lines, and expenses such as meter reading and billing.

PGC (Purchased Gas Charge): The cost of the natural gas we buy, plus the cost of transporting it to our system.
